FEATURED BENEFITS

Designed to truly replicate putting green.

For golfers, it offers the truest surface, whether for practicing or competitions, thus making it ideal for golf courses and private clubs alike - varying the amount of infill, the speed and spins are adjustable to the client's play specifications.

Suitable for sports clubs, schools, patios, balconys, rooftops, campgrounds and community sports centers.

Can be installed indoors and outdoors (i.e. patios, showrooms, rooftops, backyards.)

UV stabilized.

Drains from the top.

No maintenance.
